(See bio page in the meeting packet)

12:30 - 1:30 PM **Work Session with Tiffany Wyckoff**
Becoming the Personalized Learning Catalyst
This work session will take participants through a personalized learning model so that they may experience student-centered learning and the hallmarks of effective personalized learning firsthand. The workshop will help leaders to establish a district vision, identify challenges and opportunities, and set the course

for successful personalized learning at the district level.
****Participants should plan on having devices ready to connect and participate!**

- 1:30 - 1:45 PM Break
- 1:45 - 2:30 PM Sean Dusek, ASA President to introduce
Guest Speaker: Education Elements – Scott Johns, Associate Partner at Education Elements
This session is designed to provide superintendents and central office administrators with a base understanding of: (1) why personalized learning matters and (2) how various districts are engaging in personalized learning
- Why Personalization Matters: national trends and approaches to personalized learning
 - Meeting Needs of Alaska Districts: overview of consortium approach and potential roadmap
 - Question & Answer: opportunity to ask questions regarding personalized learning and Education Elements
- 2:30 - 3:30 PM **ASA Personalized Learning Panel Discussion:**
Sean Dusek, ASA President and Kenai Peninsula Borough School District Superintendent,
Dr. Karen Gaborik, ASA President-Elect and Fairbanks North Star School District Superintendent
Dr. Mary Wegner, Sitka School District Superintendent,
Tammy Van Wyhe, Copper River School District Superintendent
- 3:25 – 3:30 Closing survey for the participants
- 3:30 - 4:00 PM **Noelle Ellerson Ng, Associate Executive Director, Policy & Advocacy**
AASA: The School Superintendents Association
Virtual Federal Policy Update
- 4:00 - 4:15 PM **Growing Our Own: Educators Rising Alaska –**
Dr. Steve Atwater, UAF Dean of Education
- 4:15 - 5:00 PM **ASA Membership Meeting** - Legislative Discussion/Group Work by ASA Regions (table assignments on nametags)
